

The
ENERGY
of this new
opera company
and its mission are
poignant and evident
in the quality of
their performance.

*Karen Brunssen
Chair, Department of Music
Northwestern University*

**LIVELY,
MUSICAL,
AND FUN,**
their performance
seemed more polished
and professional,
more "stageworthy,"
than many a
more seasoned group
could have achieved.

Peter Amster

The singing was
EXCELLENT,
the acting
ENGAGING,
and the costumes
and scenery very
CONVINCING.

*Joe Lupo
The Italian Gazette*

Opera performed
at this level
gives tremendous
opportunity for
young, talented
singers to
spread their wings.
**BRAVO!
BRAVO!**

Sherrill Milnes

At least one company
is ensuring opera is
**APPROACHABLE,
ACCESSIBLE,
and
ATTRACTIVE**
to all.

*Jennifer Olvera
Pioneer Press*

As hard as it is
to sing in an opera,
it's probably even
harder to run an
opera company,
and these woman
are doing both.
It's pretty
AMAZING.

*Sunny Joy Langton
Professor of Voice
Northwestern University*

I've had
**NOTHING
BUT PRAISE**
about OperaModa.

Director of Programming
Northbrook Public Library*
